## “Projecting stability to the south: the role of NATO Strategic Direction-South Hub”

**Monday 21 October 2019  
9.30 AM**

**Roma Eventi - Sala Michelangelo  
Via Alibert 5/a, Roma**

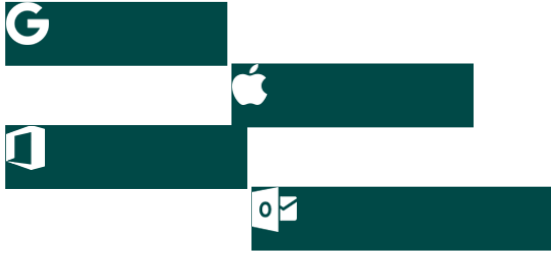

*In order to contribute to the stabilization of the MENA region and the Sub-Saharan Africa, NATO has fully embraced a 360° approach and elaborated a comprehensive strategy for the south. In this framework, the Alliance established the Strategic Direction-South Hub with the goal of coordinating NATO's activities across the region and enhancing the relationship with local partners.*

*The event aims to be a moment of discussion between distinguished members of the military, political and academic world on the Alliance's commitment towards the south and the role and activities of the NATO South Hub.*

***This conference is supported by NATO's Public Diplomacy Division***
